

List of Local City/Town Council Meetings

This is a list to the links of calendars/dates for town/city council meetings.

Public comment periods are different than public hearings which all councils have. But there you can only speak about a certain piece of legislation.

At a Public Comment Period you can comment on anything at all (related to the city of course, not what you ate for dinner last night.) Usually the cities ask that you be a resident but I have heard nonresidents speak at them.
